No. (2981)-95-4—*San., dated* 5*th October* 1904.

The following Notification No. 1309, dated the 12th September 1904, issued by the Home Department *re* the pilgrimage to the Hejaz during the season of 1904, is republished for general information :—

By the Home Department Notification No. 1485, dated the 30th September 1903, the Governor General in Council under the powers conferred by Section 2, Sub-Section (I) of the Epidemic Diseases Act, 1897 (III of 1897), directed that pilgrimage to the Hejaz during the season of 1904 might be permitted to any resident of India, subject to certain precautions, from the ports of Bombay in the Presidency of Bombay and of Chittagong in Bengal.

2. One of the precautions adopted during the pilgrim season of 1904 was the collection o all intending pilgrims at a central observation camp at or near the port of embarkation where they were detained for at least ten days, and where their wearing apparel, bedding, etc., were disinfected previous to their embarkation. Experience has shown that the cost of this arrangement has been great and the inconvenience to the pilgrims the subject of much complaint

With the concurrence of His Majesty's Government, it has accordingly been decided that during the ensuing pilgrim season, pilgrims shall be permitted to proceed to the Hejaz after five instead of ten days' observation at the central camp and after satisfactory medical inspection and disinfection. The Hej will accordingly be open during the ensuing pilgrim season to any resident in India subject to the Regulations hereinafter stated.

3. The orders contained in the Home Department Notification No. 1485, dated the 30th September 1903, are hereby cancelled.

4. The Governor General in Council is pleased to direct—

(1) that no person shall be permitted to embark with the object of making a pilgrimage to Mecca except at the port of Bombay in the Presidency of Bombay;

(2) that no person shall be permitted to embark for such purpose at such port unless he has been kept under observation in a place appointed for the purpose at or near the port of embarkation until such time as the Medical Officer in charge shall be satisfied that all risk of such person conveying the infection of plague has completely abated;

(3) that no passage tickets for the Hejaz shall be sold except at the place appointed for the detention of intending pilgrims under observation.

5. Although they have decided that, subject to the foregoing precautions, the pilgrimage to the Hejaz may be permitted, the Government of India think it necessary to repeat the warning given last year, that intending pilgrims will be well advised in deferring the fulfilment of their purpose until another season, in view specially of the stringent quarantine rules imposed by the Turkish Government and of the inconvenience and harassment to which it is likely that they will be subjected on arriving in Arabia.
